President's Letter

Greetings 3M Club Members,

For those of you who were very tired of winter and ready for spring: Congratulations, you made it! (probably...) After the record snowfall in February and a bit more snow in March, the temperatures have definitely started to climb and most of the snow has disappeared as we head into April.

We had several events planned in March -- unfortunately not all went as planned due to unreliable weather. The MSC Meet-and-Ski on March 9 was cancelled due to a winter storm, and we had a smaller-than-expected turnout at Tin Whiskers Brewing Company on March 14, again because of the weather. I am hopeful that the better weather at the end of March got us back on track with an improved turnout for The Dog House Bar & Grill on March 28.

April offers three events, all returns to previous venues. We start off the month with a **Thirsty Thursday at Mancini's in St. Paul on 4/11** and follow-up with a return to **Lucky's 13 in Mendota on 4/25**.

Minnesota
Humanities
Center

On 04/27, for our last April event, we are returning to the **Minnesota Humanities Center in St. Paul** to host the **Year End Banquet & Silent Auction**.

The evening promises to be fun-filled with a reception, plated dinner, a cash bar, awards program and, of course, the opportunity to share stories with old friends and new. You will also have the chance to help out the club through the silent auction. Who knows what treasure you will find? And we are still looking for item donations. Please bring your checkbook for the auction. And only cash will be accepted at the bar – no credit cards. Sign up is available now using the form attached later in the Hootline.

Please RSVP and send in your check to Char Franey by Thursday, April 18.

Finally, we are getting ready for next year's board. This is a great opportunity to volunteer and learn about what happens behind the scenes to support the various activities during the year. The board generally meets once per month (occasionally twice) over dinner at the home of one of the board members. Besides working with a great group of people, one of the benefits of serving on the board is that you are guaranteed a spot when signing up for one of the week-long ski trips.

If you are interested in being part of the board, please contact any of the current board members ([listed on the final page of the Hootline newsletter](#)).

And, as always, please check out the Hootline website (<https://hootline.com>) and watch for email messages to stay up-to-date on the club activities.

**All the best,
Garrett**
