## Autumn Hike Saturday, Oct 14, 2pm

Casual Autumn Hike followed by Happy Hour. Hike one of the local jewels of the Twin Cities. Afton State Park's hiking trail offer views of the St.Croix River rolling hills, glacial moraine, and bluffs.

Afterwards join us for an après' hike Happy Hour at Current Restaurant and Bar.

Meet at the main Parking area at 2 pm (assume about a 2-hour hike). Please wear good athletic shoes. Most of the terrain is flatter and crushed gravel but we could encounter a few steeper areas. As a state park, there is a \$7 vehicle permit required, and can be purchased either online (you can use the QR code for the website) or at the park entrance.
