JACKSON HOLE WAS AMAZING!!

January 20-27, 2024, saw a fun group of 28 members skiing the Tetons with good snow, impressive altitude, famous gondola to the top, great ski town and just a little fog! Some also skied Grand Targhee and Snow King. Thanks to Melanie Day, Karen Horbul and Ross McLean for making it a great experience.

Alyeska, AK skiers leave Feb 29 through March 9, 2024
